Small School Big Learning

SWIMMING PROGRAM 2019

The children in the Prep-6 grades will be participating in an intensive swimming program at the Healesville Indoor Swimming Pool. The swimming instruction sessions will commence on Monday 25th March and will conclude on Friday 29th March. Each session will be for one hour. Students will leave school at approx. 12.30pm and return by 2.30pm approx. Students will be in the pool from 1pm till 2pm each day.

This swimming program is part of our school curriculum and all children are expected to participate in the program. It is considerably cheaper this year.

The cost of the program will be \$25 per child. This covers the cost of pool entry, a certificate and petrol for transportation via private car transport and Chum Creek Bus. Instruction will be provided by qualified swimming teachers. We have received some funding for our swimming program through our Student Resource Package, with the Parent Club making up the shortfall (Thank you to the Parent Club).

Please see Deanna if you can help with transporting the students to and from the pool. We will need 2-3 cars each day of the swimming program, although staff cars can be used on some days.

All children in the school will be transported to Healesville by either private car or mini bus.

If a child misses any of the sessions, it will not be possible to offer a refund as the instructors are paid a set amount for each session.

The permission form and payment of \$25 per child is due on **Wednesday 20th March.**

Thank you,

Deanna, Nick & Meredith
