We value Teamwork, Respect, Responsibility & Independence

Dates to Remember

Return to school for ALL students
Queen's Birthday Public Holiday
Term 2 concludes

Tuesday, May 26th
Monday, June 8th
Friday, June 26th

Mrs Cole's Column

I am looking forward to having everyone back on deck on Tuesday 26th May. Please find attached to this newsletter the guidelines for returning to school after the easing of restrictions, a COVID return to school policy and a few other items which may be of some assistance when speaking to your child about school returning.

I would like to thank everyone for their care and support in their child/ren's learning once again throughout the COVID restrictions. Meridith and I have appreciated the efforts many of you have put in. Some of the student work has been amazing. I have especially enjoyed much of the little videos and photos that we have had of students working from home. If your child has any outstanding work on SeeSaw it would be helpful if that were to be completed in the near future. Thank you.

I would like to once again, thank Meridith for all the extra hours she has spent making sure our students are being

catered for, from their educational needs to their well-being needs, through WeBex meetings and phone calls. I would also like to thank Ruth and Von again for their support with students needing to attend school, photocopying and preparing student learning packs and the delivery of packages.

As you return to school I would like you to welcome Arianna to our school crossing. She will be our new crossing supervisor for Monday, Tuesday and Wednesday, commencing Tuesday 26th May.

Please return **ALL** work, borrowed books, Home Learning books, etc in your child's red Home Learning bag on their return to school.

Just a brief reminder that if your child will not be attending school for any reason, illness, appointment, bereavement, etc, you need to ensure that you inform the school as close as possible to the commencement of the school day, rather than have us follow up with a phone call when we are teaching.

Just a reminder to all parents and anyone who volunteers at our school in any way, a volunteers

Working with Children Check is required. It doesn't cost anything for you to apply. Information can be found at <https://www.workingwithchildren.vic.gov.au>. Please ensure the office receives a copy of your WWCC.

I'm sure that you have found many things to be grateful for. I am very grateful that all our students can return to school **together** from Tuesday 26th May. I am extremely grateful to the wonderful staff that work at Yering. I am also grateful that my Mum is getting better after being quite ill after surgery.

Thank you to the families who attended our working bee on Saturday – Cartwright (with Doug), Steur and Topma. Thank you also to the staff and their families who attended – Lisa, Ruth, Ruth's husband Bruce, my sister Sue and her family, Jake and Natalya. It was a great effort from you all. The school looks great and we accomplished a great deal in a short time.

Deanna Cole

Principal

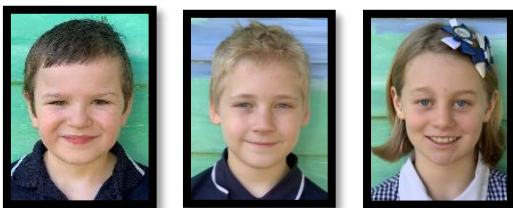

Quote for the fortnight: To teach is to learn twice.

STUDENT FREE DAY

Monday 25th May has been declared a **Student Free Day** for Victorian State Schools.
