Mrs Cole's Column

Well, there goes another term. It has been the most trying term I think I have encountered in my teaching career. Most of the term in lockdown, with most of us feeling the fatigue of many lockdowns over the past two years. I would like to thank everyone for doing their best with remote learning yet again.

I would like to thank and acknowledge the staff who have been doing their best to care for our students, while still endeavouring to operate a program that is as 'normal' as it could be given the circumstances.

Thank you to Andrea Allen for her service to the Grade 4-6 class during Meridith's leave. Andrea has been working from home most days with young children at home. We appreciate your effort and dedication to our students, even though you had minimal classroom time with them, making it difficult to get to know them. All the best for your pending arrival!

Thank you to our pre-service teacher, Brinta, for her time this term. Brinta has made great connections with the students and staff while completing her placement. Unfortunately for Brinta, there was not much time spent

in a 'real' classroom situation either, but she was able to have the experience of online 'at home' learning. Thank you for the impact that you have had on our students, and the contributions that you have made to our school. Thank you Ruth and Bruce Butler for further weekend work around the schoolground and for placing banners around the area to market our school. Your time and effort during lockdown has been more than valued.

I would like to wish all staff, students and families a very relaxing and restful break. Please enjoy your time together as a family, even though we are in lockdown, not remote learning.

Quote for the fortnight: To teach is to learn twice.

Parent/Caregiver/Guardian Opinion Survey

Thank you to the families who have completed the Parent/Caregiver/Guardian Opinion Survey. 64% of families have completed the survey; that's 7 out of 11 families.

The Parent/Caregiver/Guardian Opinion Survey is still open until **Friday 17th September**. It would be great if you could complete the survey. The survey only takes **20 minutes** to complete.
