Small School Big Learning

November 2021.

Dear parent/guardian,

Yering Primary School is looking forward to another great year of teaching and learning and would like to advise you of Yering Primary School's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us purchasing of I.T. equipment for our students, arts, science and physical education equipment and resources.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Deanna Cole
Principal

Christine Topma
School Council President
